**Orica proud to sponsor Gladstone Hospital Auxiliary with  
\$10,000 Corporate Sponsorship**

Orica Yarwun, as part of its 2013 Corporate Sponsorship Program, is pleased to announce a \$10,000 donation to the Gladstone Hospital Auxiliary to assist with projects the Auxiliary has planned for 2013 in consultation with the Gladstone Hospital.

Today, Orica at an Auxiliary meeting at the Gladstone Hospital, presented the donation which was warmly accepted by Mrs Kerry Rose, President of the Auxiliary.

Mrs Kerry Rose, President Gladstone Hospital Auxiliary, said: "On behalf of the Gladstone Hospital Auxiliary, I would like to thank Orica very much for their wonderful sponsorship. We rely totally on donations and fundraising to provide much needed equipment to the hospital, so this contribution from Orica is a huge boost to our program for this year."

Mr Jon Barden, Site General Manager Orica Yarwun, said: "The Orica Yarwun Sponsorship Program looks at investing in a number of opportunities that directly benefit the wider Gladstone community in which we operate. The Gladstone Hospital Auxiliary is a fine example of a non for profit organisation that works hard to improve services to our community and relies solely on fundraising dollars to do this."

"We are genuinely proud to be able to provide support to the Auxiliary. This donation recognises the wonderful contribution the Auxiliary makes to the Hospital in providing additional equipment and resources." Mr Barden said.
