

COMMUNITY

APRIL 2013

Orica Yarwun proud to support five local charity organisations

Orica Yarwun, in recognition of the tremendous contribution staff made to the continuous safe management of our site operations during the ex Cyclone Oswald event in late January 2013, accepted nominations from staff for worthwhile organisations that would benefit from a charity donation.

Sixteen local charities were nominated and on Wednesday, 24 April five local charities were recognised for the vital service they provide to our local community and invited to a site BBQ to accept a \$2,000 cheque donation.

- **SES Gladstone**
- **Gladstone Salvation Army**
- **Mount Maurice Rural Fire Brigade**
- **Port Curtis Day Respite Centre**
- **Exodus Tutorial Centre**

“We are genuinely proud to be able to make this donation to each of these worthwhile organisations and to recognise the tremendous service that each of them provide. Whether it be in an emergency and recovery situation, such as the SES, Gladstone Salvation Army and Rural Fire Brigade or in the case of the Port Curtis Day Respite Centre and the Exodus Tutorial Centre who contribute to the well being of our broader community.” Jon Barden, Orica Site General Manager.

“It is also a great opportunity to recognise our staff and to be able to publicly thank them for their outstanding efforts during what was a difficult weekend for the entire community. It’s rewarding for us all to be able to see the wider community benefit from this donation.” Jon Barden, Orica Site General Manager.
