## The Smith Family

Reaching the milestone of supporting 600 students on The Smith Family's Learning for Life program in Gladstone in June 2020, means that 600 young Australians now have a much better chance of success than they did 2.5 years ago – thanks to Orica.

Their Learning for Life program is proven to improve educational outcomes, by providing holistic, long-term support for young Australians from disadvantaged backgrounds throughout their education.

The Smith Family's Relationship Manager for Corporate Partnerships, Ms Sam Leach said, "This is a huge milestone, which wouldn't have been possible without Orica's generous support – thank you all so much!"

Are you interested in helping more young people to break the cycle of poverty, so they can create better futures for themselves? There are lots of ways you can help, contact Suzie Lane – Community Advisor to find out more.
