14 Jul 2017

Orica Apprentice Blake Cogill was presented the Gladstone Area Group Apprentices & Trainees 2017 2nd year Apprentice of the Year award on Tuesday 11 July by GAGAL's Operations Manager John Hynes.

Blake was recognised for efforts both onsite and offsite through TAFE and his willingness to learn and succeed in his chosen trade.

Blake's development and that of our other apprentices is in part due to the ongoing commitment and mentoring of the maintenance technician's.
